This February we would like our spotlight to shine on Viktor and Cheryl Korovaynyk. This husband and wife team serve once a month in elementary. Couples like these two are making a difference in the lives of our kids. Join us in thanking Viktor and Cheryl for the smiles they bring to the faces of our elementary kids each month.

Parents!
You're invited!

Children's Ministries will host two February info meetings for your kids' departments. Connect with your children's teachers and discover how you can support your own child's program through monthly volunteering!
