*VBS Meeting*  
*Tomorrow evening, 7:00*  
*Several key issues to be discussed*

This meeting is for all who were involved with VBS this year and also for all those who think they might be interested in participating next year. Your thoughts and ideas are important!

What went "right" this year?

What could have been better?

What changes should be made for next year?

Let's talk about:

Key leaders for next year

Theme for next year

Calendaring and scheduling

While we may never be able to eliminate all the stress that comes with VBS (especially those pesky last minute items), with proper planning ahead, hopefully a lot of that stress can be avoided.

Your input and ideas are needed!
