Parent Meetings

Bobby and Jen would like to take the next couple months to meet with parent's of youth in our church to help open communication on how the youth ministry can best support them in the common goal of preparing these youth for life after high school in the most important way - spiritually. We don't want to be a program-based ministry where if a youth doesn't attend our scheduled programs, they will not be ministered to. We want to work with parents to minister to these youth in whatever capacity we/they are able because we love them and want nothing less than for them to leave high school flourishing spiritually. It does not matter if your youth currently attend youth group or regularly attend youth group. We would like to meet with every parent of a 7th grade – 12th grade youth. A sign-up sheet will be in the foyer, please find time for us – it is very important!

YARD SALE

As part of our fundraising efforts for our summer mission trip to Detroit, we would like to have a yard sale at the Crosspoint New Hartford property on Saturday, July 2nd Starting at 8am. All proceeds will go for our Mission Serve Detroit trip. We would appreciate any sellable items that you can donate to this cause. This includes furniture and clothes, but it is not a drop-off for the old and worn – please only sellable items. It would be helpful if as much as possible you could make your own arrangements for drop off, but if necessary, we would greatly appreciate some help from our church truck owners. Bobby does not own a truck, so it would be greatly appreciated if truck owners would be willing to drop off as needed.

If you have a truck and would be willing to help with collection, please sign-up in the front foyer. Drop off will be throughout the week of June 27th – July 1st by appointment. Our other need is for our church family to spread the word about this yard sale to everyone.

VBS Sign-up

A sign-up sheet for VBS volunteers is ready for your name in the front foyer of the church.

Questions, concerns, etc. – call Bobby @ (315)-939-2748

Workday Scheduled

25 pails of roof coating are now sitting on our roof. Saturday, June 18th (weather permitting), many hands will be needed to apply this coating.
