To all those involved with planning the Experiencing God weekend in September:

Please mark your calendar for 1:30-3:30 to meet with Bob Payne on March 25th @ Crosspoint, Whitesboro.

We will learn more about how this event will look and what our responsibilities will be. Thank you for your support & willingness to serve. Also please be in prayer especially for leadership for the childcare & fellowship (meals) for this event.

RSVP your attendance please!

## *An Addition to our Budget Proposal Vision Statements*

An amendment to the Children's Ministry Vision report seen in the budget proposal last week we would like to add the following:

The possible changes to Bobby Allen's position within the church will bring him into a more active support role within the current children's ministry. This is only temporary.

As our current volunteer leaders are working hard to provide our children with the best Bible education possible, our vision for the near future (within the next year) is to expand the Children's Ministry exponentially so as to be a great attraction to the community. This will prove to be too large a task to add to Bobby's new job description so we would like to add a Children's Minister position whose job it will be to exclusively work on this exciting children's program. This person will have experience in training volunteers, managing a staff, overseeing and managing curriculum, running successful children's programs including a weekly evening program and VBS. We are excited about the potential for growth within this vital area of our church.

## **NEED:**

**We are looking for some reinforcements to help chaperone this heavily attended event or to take a shift at this event. If you are a member of Crosspoint Church, have experience, interest, patience, and/or a heart to work with teens, and are able to help with this event please contact Bobby at the number at the bottom of the page.**

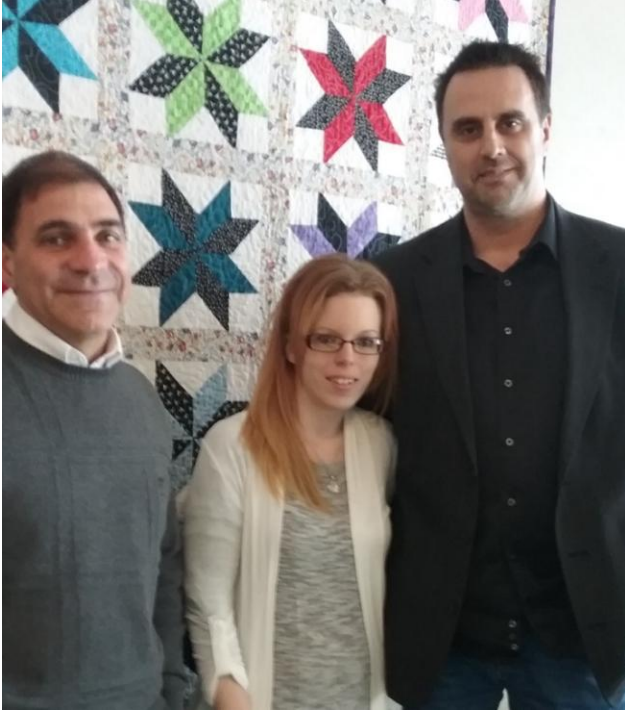

## **NOTE TO PARENTS:**

**We would love for all youth to attend this event. We will trust and lean on your discernment as a parent to determine if this event is right for your child. It consists of staying awake for 12 straight hours – all of which are spent with a large group of people. There will be fueling stations with high-sugar candies and caffeinated beverages to help them stay awake. If you feel like this entire event might not be suited for your child, they are also welcome to come for a portion of this event.**

**Please contact the number below with any further questions you may have to help you make this determination.**

*Questions, concerns, etc. – text (preferable) or call Bobby @ (315)-939-2748*
