NEED:

We are looking for some reinforcements to help chaperone this heavily attended event or to take a shift at this event. If you are a member of Crosspoint Church, have experience, interest, patience, and/or a heart to work with teens, and are able to help with this event please contact Bobby at the number at the bottom of the page.

NOTE TO PARENTS:

We would love for all youth to attend this event. We will trust and lean on your discernment as a parent to determine if this event is right for your child. It consists of staying awake for 12 straight hours – all of which are spent with a large group of people. There will be fueling stations with high-sugar candies and caffeinated beverages to help them stay awake. If you feel like this entire event might not be suited for your child, they are also welcome to come for a portion of this event. Please contact the number below with any further questions you may have to help you make this determination.

Questions, concerns, etc. – text (preferable) or call Bobby @ (315)-939-2748

Bob Payne, of Blackaby Ministries, is our special guest speaker today. This is a pre-event visit as Bob will be helping us prepare for an **Experiencing God Weekend** event scheduled for September 8-10 here at Crosspoint.

Experiencing God: Knowing and Doing the Will of God, by Dr. Henry Blackaby and Claude V. King, is one of the most powerful and life-changing studies ever produced. It has helped millions of believers learn to recognize God's activity around them, adjust their lives to Him, and be ready to join Him where He is working!

Bob is the Director of Experiencing God Weekends for Blackaby Ministries International. has served under the personal mentorship and teaching of Dr. Henry Blackaby for over twenty years and has traveled around the world leading churches and encouraging believers in their relationship with the Lord.

Please plan to attend, and bring friends along, both on the 26th and to the event in September.
